

OLD TELEGRAPH TRACK

Ep 11 & 12, Cape York or Bust!

The southern section of the Old Telegraph Track, which runs from Bramwell Junction to Bamaga Road, is an iconic drive that features challenging water crossings and some stunning tropical scenery as you head north.

The northern section of the Old Telegraph Track, which runs from Bamaga Road to the Jardine River Ferry, is perhaps the quintessential Cape York 4WD experience, featuring plenty of deep creek crossings and very steep and slippery river banks.
