TRACK NOTES:

From Cameron Corner we headed up the Strzelecki Track through the South Australian desert to Innamincka and the Dig Tree, before turning north on the Cordillo Downs road back into QLD. Haddon Corner is accessed via the Planet Arrabury road, before you get to the Birdsville Development Rd.

Watch out for the corrugations on this stretch of gravel, until you reach the famous Birdsville Hotel. Don't forget to drop into the bakery for a camel pie while you're in town! Leaving Birdsville, you climb Big Red, and then head west into the Simmo and onwards to Poeppel Corner.
